SleepSafeBed.com

Dear DME Professional,

Attached is your requested quote for a SleepSafe Bed® that will contain the Jenx® Dreama: 24 Hour Positioning System. Please review the important information and logistics pertaining to this combination. This information should answer questions you may have and help you to know what to expect.

- When ordering your Jenx® Dreama: 24 Hour Positioning System, please advise Adaptive Imports the system will be used in a SleepSafe® bed. It is important to provide Adaptive Imports with our Sales Order or Quote number to reference the bed to the system. The system will ship directly to SleepSafe® Beds for installation.
- Any accessories ordered for the Jenx® Dreama: 24 Hour Positioning System will be shipped directly to you, the DME.
- Only a SleepSafe® Twin size bed will accommodate the Jenx® Dreama: 24 Hour Positioning System.
- Jenx® Dreama: 24 Hour Positioning System can be used in any SleepSafe® twin bed model.
- Any foundation can be used with the system; however, a hi-lo foundation will make it *easier* to add and remove any postural support accessories by raising the foundation above the side panel.
- In lieu of our mattress, SleepSafe® Beds will provide a custom foundation pad specially designed for the Jenx® Dreama: 24 Hour Positioning System. The pad is secured to the system with an 8-foot black cinch strap. There are no additional installation costs.
- The Jenx® Dreama: 24 Hour Positioning System is compatible with a padded or non-padded bed.

Please don't hesitate to call with any questions or concerns. We value your input and your business!

Sincerely,

SleepSafe® Beds
