Key Features:

- ❖ Suitable for use from birth (term) to 18 months
- ❖ Promotes central core strength, symmetry, and consistency.
- ❖ Facilitates a choice of key therapeutic positions (prone, supine, side lying).
- ❖ One size, with unique molding ability to maintain its form until reshaped by the caregiver.

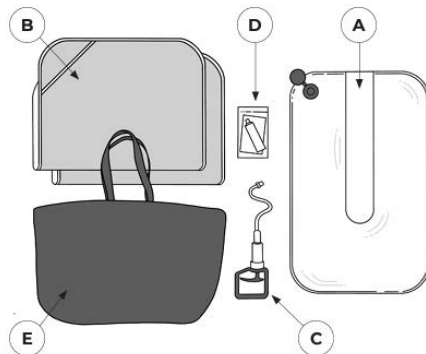

Infant Positioning Support: Neo+ bundle (one size – incl. 2x cover sets, base cushion, pump and tote bag)

Neo+ is a multipurpose positioning support for infants who have delay in their development and require supportive positioning to strengthen their core, improve their patterns of movement or assist access to their environment.

Please complete this and send to Adaptive Imports by fax or email or order online at www.daytotjourneys.com.
