Neo+ is a multipurpose positioning support for infants who have delay in their development and require supportive positioning to strengthen their core, improve their patterns of movement or assist access to their environment.

Key Features:

Suitable for use from birth (term) to 18 months

Promotes central core strength, symmetry, and consistency.

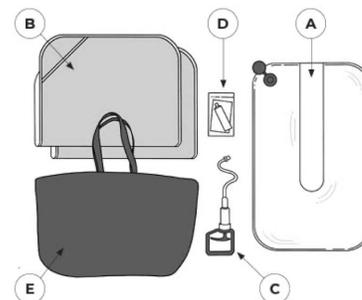

Facilitates a choice of key therapeutic positions: (*prone, supine, side lying*)

One size with unique molding ability to maintain its form until reshaped by the caregiver.

What's Included:

- A. Base Cushion
- B. Cover Pack (x2)
- C. Pump
- D. Repair Kit
- E. Daytot Bag
- F. Instructions
