360

The 360 is a full headrest system that securely attaches to almost any wheelchair, walker, stander, or other device that can be enhanced with a headrest.
(one size fits most)

Key Features

- Simple assembly and can be attached easily to standard wheelchair.
- Flexibility that enables easy adjustment for size, position, and client asymmetry.
- Recommended for children to adult.
- Back Cane Width Compatibility: Accommodates widths 11" to 19.7"

Suggested HCPCs Code - E0955, E1033, E1028 **One Size: Child - Adult**

**It is the responsibility of the CRT provider to determine the HCPCS code most appropriate for each circumstance. The above HCPCS codes are for reference only and are not to be deemed as legal advice. Actual coding and coverage varies by funding entities and the use of HCPCS does not guarantee coverage or payment.*
